1. Drug & Alchoal Policy

Drug & Alcohol Policy Acknowledgment

Company Drug & Alcohol Policy

Safety is our highest priority. All drivers must remain free from the effects of alcohol, illegal drugs, and any substance that may impair safe driving or job performance.

By signing below, I acknowledge and agree that:

I will not report to work or perform safety-sensitive duties while under the influence of alcohol, illegal drugs, marijuana (regardless of state law if prohibited by applicable regulations), or any impairing substance.

I will not possess, consume, distribute, or be under the influence of alcohol or illegal drugs while on duty or operating company vehicles.

I will immediately notify the Company if I am prescribed medication that may impair my ability to safely perform my duties.

I agree to comply with all applicable U.S. Department of Transportation (DOT), FMCSA, FTA (if applicable), state, and Company drug and alcohol testing requirements, including pre-employment, reasonable suspicion, post-accident, random, return-to-duty, and follow-up testing, where applicable.

I understand that refusing a required test or violating this policy may result in disciplinary action, up to and including immediate termination, and may subject me to applicable regulatory penalties.

I agree to immediately report any drug- or alcohol-related conviction, license suspension, or regulatory disqualification that affects my ability to perform my job.

I have read, understand, and agree to comply with this Drug & Alcohol Policy.
